

SDG Goal 1 No poverty

SDG Target 1.a Ensure significant mobilization of resources from a variety of sources, including through enhanced development cooperation, in order to provide adequate and predictable means for developing countries, in particular least developed countries, to implement programmes and policies to end poverty in all its dimensions

SDG Indicator 1.a.2 Proportion of total government spending on essential services (education, health and social protection)

1. Name of data series	
Government spending on education (COFOG section 09)	
Compliant with SDG metadata: no, metadata not available	

2. Definition of indicator	
The sub-indicator measures the share of government spending on education. In particular government outlays on education include expenditures on services provided to individual pupils and students and expenditures on services provided on a collective basis. (for further information see COFOG code 09)	
3. Comparison with SDG metadata	
Although classified Tier II, the metadata for indicator 1.a.2 are not yet available.	

4. Data description	
The data is part of the national accounts of the Federal Statistical Office. The indicator thereby calculates the percentage of government spending on education as part of the total amount of government spending. The data on government spending on education is classified based on the UN Classification of the Functions of Government . Besides the regular revisions of the time series (see below) a general revision of the European National and Regional Accounts was conducted in 2014.	
5. Calculation method	
$\text{Education} = \frac{\text{Government spending on education (Bn EUR)}}{\text{Total government spending (Bn EUR)}} \times 100$	
6. Unit of measure	%

7. Timeliness	8. Frequency
t + 45 days	Annual
9. Last regular revision	10. Revised period
08/2018	2014-2017
